Important Notes:

- Limited electricity is available in the Pioneer Market building. If you require electricity please indicate so on your registration form. Electricity outlets will be given on a first come, first serve basis. Bring a short Extension Cord.

- In fairness of exhibitor adjacencies please include all products you intend to sell on your registration form. Failure to list all products may result in products being deemed unauthorized to sell at the fair. We will do our best to separate exhibitors offering similar products.
- Please bring your own chair, if required.
- Camping is available on the East side of the grounds, with shuttle service provided between the campgrounds and the main show gate. Shuttles are also available between the show gate and Pioneer Market building.

- The Pioneer Market building is locked and secured each night between 5:00 pm and 8:00 am but please bring covers for your tables, as the building has open rafters.
